PLAS - O - GRAM <98-11> Some Changes in Timecard Unit Cost Fields

PLAS Protégés,

You'll shortly see some name changes in the pulldowns for the Contract Kind/UCC column of the Timecard screen. These changes were designed by the Unit Cost team to clarify reporting. Some users were confused when charging to 'mandatory' training versus 'mandatory product audits' and when working 'Other' CAS versus 'Other' Contract Kinds.

The 'Long Name' is what you see in the pulldown boxes in the PLAS Timecard screen. The 'Short Name' appears in the cells after the Long Name selection is made. **New in Bold.**

	LONG NAME	SHORT NAME
NEW	BOAs/IDIQs	BOAs/IDIQs
Old	BOAs/IDIQs(Other)	BOAs/IDIQs
NEW	Travel - Product Audit (Mandatory) Pool	MandAudit
Old	Travel - Mandatory Product Audit Pool	Mandatory
NEW	Travel - Contingency CAS (CCAS) Pool	CCAS
Old	Travel - Other CAS (CCAS) Pool	OtherCAS
NEW	Training - Product Audit (Mandatory) Pool	MandAudit
Old	Training - Mandatory Product Audit Pool	Mandatory
NEW	Training - Contingency CAS (CCAS) Pool	CCAS
Old	Training - Other CAS (CCAS) Pool	OtherCAS

When you select a Process code on the Timecard screen, PLAS automatically fills in the Unit Cost column. Again, the 'Short Name' is what appears in the Timecard cell while the 'Description' is only visible to Administrators in PLAS maintenance. **New in Bold.**

	DESCRIPTION	SHORT NAME
NEW	Product Audit (Mandatory)	MandAudit
Old	Mandatory Product Audits	Mandatory
NEW	Contingency CAS (CCAS)	CCAS
Old	Other CAS (Contingency CAS)	OtherCAS
